### Call to Order

Following lunch, Lynn Lemon called this meeting of the Utah Counties Insurance Pool Board of Trustees to order at 1:00 p.m. on April 18, 2008, introduced guests and welcomed attendees.

### Accept Board Resignation of Law Enforcement Committee Chair

Lynn Lemon reported that Sheriff Jim Nyland, Grand County, has emailed his resignation from the UCIP Board of Trustees effective April 9, 2008. The reason for Sheriff Nyland's resignation is that other commitments will interfere with his attendance at future Board meetings. Steve Wall made a motion to accept the resignation of Jim Nyland from the Board of Trustees as the Chair of the Law Enforcement Committee. Wayne Smith seconded the motion, which passed unanimously. Kay Blackwell made a motion to appoint LaMar Guymon, Emery County Sheriff, as the Chair of the Law Enforcement Committee and UCIP Board Member. In the event LaMar Guymon is unable to serve, Kay moved to appoint Cameron Noel, Beaver County Sheriff, as the Chair of the Law Enforcement Committee and UCIP Board Member. Brad Dee made a substitute motion to invite LaMar Guymon, Cameron Noel and Jeff Merrell, Uintah County Sheriff, to the next Board Meeting to be interviewed. The Board will appoint the new Chair of the Law Enforcement Committee following the interviews. Jim Eardley seconded the motion, which passed unanimously. The Board directed Mark Brady to contact LaMar Guymon, Cameron Noel and Jeff Merrell to explain the duties of the Board, discuss their willingness to serve and invite them to the next Board Meeting.

The agenda item was again brought up later in the meeting. Brad Dee made a motion directing Mark Brady to contact LaMar Guymon, Cameron Noel and Jeff Merrell to find out their interest in serving on the Board of Trustees and their commitment to attending the meetings. The candidates will be interviewed at the Board Retreat in June. Kent Sundberg made a substitute motion to interview the candidates via telephonic conference. The motion failed. Kay Blackwell seconded Brad Dee's motion, which passed. Kent Sundberg voted against the motion.

### Review of Board Members Absent

All Board Members were present at this meeting.

### Approval of February 14, 2008 Meeting Minutes

The minutes of the Board of Trustees meeting held February 14, 2008 were previously sent to the Board of Trustees for review. Steve Wall requested that the minutes be corrected on page one, UBS Financial Services Report, fourth sentence should read: At this time, short-term investing has increased in value. Page four, Chief Executive Officers Report, paragraph six, should read: Lynn Lemon signed a Resolution to Appoint Johnnie Miller as UCIP's Representative to County Reinsurance Limited. Steve Wall made a motion to approve the February 14, 2008 meeting minutes as corrected. Karla Johnson seconded the motion, which passed unanimously.

### Presentation of Actuarial Reserve Analysis

Lisa Dennison, By The Numbers Actuarial Consultants, reviewed the 2007 Workers' Compensation Actuarial Reserve Analysis with the Board (see attachment number one). Lisa explained that since the Pool has four-years of loss experience the actuaries were able to use more of the Pool's experience instead of solely using industry experience. Page five charts the Incurred But Not Reported (IBNR) estimate calculated by the actuaries. IBNR estimates for the year 2004 were too high. Page six charts the known losses with page four and 37 comparing prior actuarial reports. Only a 1.4% change to the specific retention was experienced. Page 13 shows a decrease in the historical and expected development of incurred losses for year 2006 but the actuaries expect losses to develop 16% after 72 months of development. In comparison, the historical and expected development of paid losses, page 17, is expected to develop 37% after 72 months. The methods used to cover claims for the average four-year estimates are shown on page 22. The Workers' Compensation Pool needs \$3,000,000 reserved to pay claims prior to 2006. Table 10 shows the estimated funds available for claims, all years, is \$4,041,341. Johnnie Miller recommended that the Pool conduct a payroll audit each year to accurately collect required premiums from its members; the Board agreed.

Lisa reviewed the 2007 Multiline Actuarial Reserve Analysis with the Board (see attachment number two). As shown on page four, Lisa explained that the incurred losses to the prior actuarial report are \$1.29 million less than estimated. This is favorable development. Page 13 charts the historical and expected development of incurred losses and table 33 on page 55 shows the historical profitability at \$756,829 increase in surplus due to favorable prior year loss development.

Kent Bischoff made a motion to approve the 2007 Workers' Compensation and Multiline Actuarial Reserve Analysis Reports as presented. Bruce Adams seconded the motion, which passed unanimously.

### Presentation of Independent Audit 2007

Geri Douglas and Diane Nesbit of Larson & Company reviewed the draft 2007 Financial Statements and Independent Auditors' Report, which is an unqualified opinion on the financials, with the Board (see attachment number three). Pages 4-9 consist of Management's Discussion and Analysis prepared by Johnnie Miller. The Statement of Net Assets, page 10, shows an increase in cash due to more monies held in the Public Treasurers' Investment Fund (page 17 notes provides a breakdown of cash and investments). Receivables show higher due to premiums billed for the Employee Benefits Pool, reserves for losses increased \$500,000 (IBNR estimates provided by the actuary) and capital assets have increased due to the land purchase. The auto restricted amount has been moved to unrestricted since a car allowance is now used for employees. Net assets have increased \$286,035 from the prior year. On the Statement of Cash Flows the Pool used a negative \$440,091 for operating activities wherein \$562,667 was used in 2006. A breakdown by line of business is shown on pages 26 and 27. Page 29 states no instances of noncompliance were found during the audit process. Recommendations to certain matters found during the course of the audit are listed in the Management Letter. These recommendations to strengthen internal controls include: 1) clarity to the sick and vacation policy; 2) non-accountable plan for the employee auto allowance; 3) timely deposit of cash receipts; 4) signatures required on workers' compensation disbursement checks; 5) supporting documentation for cash disbursements; 6) state legal compliance on budgeted expenditures; and 7) development of a disaster recovery plan.

Brad Dee made a motion to approve the 2007 Audit as presented. Kay Blackwell seconded the motion, which passed unanimously.

### **Audit Committee Report**

Steve Wall reported that the Audit Committee met with Geri Douglas and Martha Hayes prior to the audit and met with Geri and Diane Nesbit to review the draft audit that was presented to the Board. The Pool's budget is currently on a cash basis, which the auditors report as a deficiency. The Audit Committee will work with staff to review year-end accrual entries and accrual line of business budgeting.

### **Building Committee Report**

Steve White reported that the Building Committee met to discuss issues regarding the new UCIP Building. Only one bid for architectural services was received. The State of Utah is widening 700 East and will be taking UCIP owned property; how much has yet to be determined. The lease is due in February 2009 at the current location UCIP staff is housed. Larger space, in the same building, has just recently become available at a lower rate. The Building Committee recommends waiting to start construction until the road construction is complete. Steve White made a motion authorizing Johnnie Miller to reject the received bid for architectural services and research why only one response was received. Authorize Johnnie to negotiate and provide leasing options to the Board at its next meeting. Karla Johnson seconded the motion, which passed unanimously.

### Approve Amended Joint Policy Statements

Johnnie Miller explained that recommended changes to the Joint Policy Statements will be discussed at the Board Retreat in June. Because expenses need to be paid to members traveling to the AGRIP Conference in Arizona, the Joint Policy Board Travel Expenses is not clear as to reimbursement if a member chooses a more expensive means of travel. The Board agreed that the Policy should be that reimbursement is made based on the least expensive method of travel.

### Approve Resolution to Appoint Representative to County Reinsurance Limited

Karla Johnson made a motion to approve a Resolution to Appoint Johnnie Miller as UCIP's Representative to County Reinsurance Limited as signed at the February 14, 2008 Board meeting. Ken Bischoff seconded the motion, which passed unanimously.

### Set Date and Time for Closed Meeting

Karla Johnson made a motion to set the date and time for a closed meeting to discuss character, professional competence, and/or physical/mental health of an individual for April 18, 2008 at 3:25 p.m. Kent Sundberg seconded the motion, which passed unanimously. Board Members present during the closed meeting were: Lynn Lemon, Kay Blackwell, Steve Wall, Bruce Adams, Ken Bischoff, Brad Dee, Jim Eardley, Jerry Hess, Karla Johnson, Wayne Smith, Kent Sundberg and Steve White.

The regular meeting resumed at 3:49 p.m. on April 18, 2008.

### Set Date and Time for Closed Meeting

Karla Johnson made a motion to set the date and time for a closed meeting to discuss pending or reasonably imminent litigation for April 18, 2008 at 3:50 p.m. Jerry Hess seconded the motion, which passed unanimously. Board Members present at the closed meeting were: Lynn Lemon, Kay Blackwell, Steve Wall, Bruce Adams, Ken Bischoff, Brad Dee, Jim Eardley, Jerry Hess, Karla Johnson, Wayne Smith, Kent Sundberg and Steve White. Others present were: Johnnie Miller, Sonya White and Anne Ayrton.

Regular meeting resumed at 4:00 p.m. on April 18, 2008.

### Action on Litigation Matters

Kent Sundberg made a motion approving authority up to an amount of \$120,000 during mediation in the matter of BOX0000432006. Steve Wall seconded the motion, which passed unanimously.

### Ratification and Approval of Payments and Credit Card Transactions

Steve Wall reviewed the payments made, payments to be made (see attachment number four) and credit card transactions with the Board. Steve Wall made a motion to approve the payments made, payments to be made and credit card transactions, noting that a couple of issues will be reviewed with staff. Wayne Smith seconded the motion, which passed unanimously.

### Review First Quarter Unaudited Financial Statements

Sonya White reviewed the in-house prepared, unaudited account balances arising from cash and accrual transactions as of March 31, 2008 (see attachment number five). A financial summary sheet was not compiled for the Board because the final audit and actuarial reports had not yet been approved. As discussed in the audit presentation and as shown on the Balance Sheet, cash has increased (unrestricted investments have decreased) from last year due to more monies held at the Public Treasurers' Investment Fund, which currently has higher rates than bonds being placed by UBS Financial Services. IBNR and Loss Reserves for 2008 have increased from the prior year as determined by the recent actuarial analysis. With the year 25% complete, budget to actual comparisons for each line of business and the administration expenses are in line for the first quarter 2008. Staff will revisit and request an account analysis from Wells Fargo.

### Review Recommendation of Benefits Committee

Anne Ayrton reported that the Benefits Committee has been meeting with the Public Employees Benefits Program (PEHP) to move UCIP members out of the Local Governments Risk Pool (LGRP) into UCIP's own pool. Johnnie Miller explained that pursuant to the contract between UCIP and PEHP a separate UCIP member pool, one developing surplus, should have been created effect January 1, 2006. PEHP did not follow through with its contract obligations, which has cost UCIP approximately \$1.5 million in developed surplus pursuant to the PEHP actuarial analysis. PEHP Management is stating that surplus has already been reported to members of the LGRP and must be retained by the LGRP. PEHP is ready to start UCIP's pool effective January 1, 2009. Johnnie has outlined his recommendations in his CEO report (see attachment number six). The Benefits Pool Planning Board Committee (Brad Dee, Lynn Lemon and Kent Sundberg) and Johnnie will meet with PEHP Management to discuss the breach of contract and how to proceed with UCIP's separate, surplus earning pool.

### Chief Executive Officer's Report

Due to time constraints, Johnnie Miller provided the Board with his written report (see attachment number six) and requested that the Board review and contact him with any questions.

### Other Business

Kay Blackwell requested that the Board consider holding Board meetings every month to reduce the length of meetings now being held every other month. Jerry Hess requested that all information be emailed to the Board in advance.

Brad Dee explained that the Weber County Information Technology Department has developed an exceptional email policy that he would like to introduce to the UCIP members. Johnnie Miller recommended that Brad meet with the IT Committee that Mark Brady has coordinated.

The next meeting of the Board of Trustees is scheduled for June 6, 2008, 12:00 p.m. in Eden.
